

Narrative Writing Outline

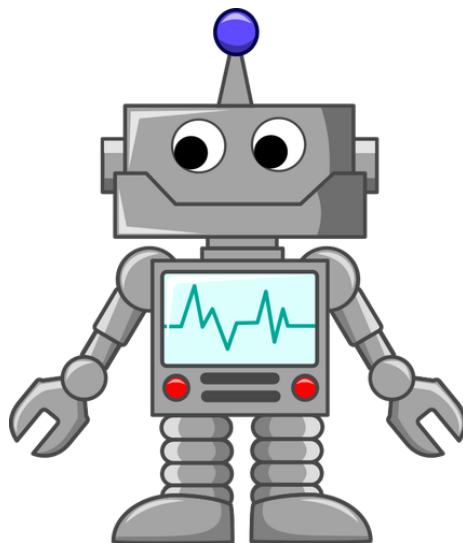

Here is your story outline for a narrative writing piece:

You are a student in Ms. Flowers' 5th grade class. Most things are normal about your day: math workbooks are being completed, reading is being done, laser beams are shooting out of the eyes of your classmate - oh, sorry. Did I mention? You're in a class of 5th grade superheroes.

You learn your normal subjects such as English, Math, and Art, but you also learn about superhero business, such as how to control your powers, how to use them, and how to avoid your weaknesses.

OH NO!

The evil sixth graders are turning the students of Heritage Academy into robots! How will Ms. Flowers' class save the day- and the students?
